EXPERIENCE

Freelance Video Editor & Motion Designer

2021-2024

As a freelancer, I worked with multiple companies in a wide range of fields, mainly video editing, motion design and animation. Some of my clients from the past years are Uplifted, Panda, Lightricks, AlefAlefAlef, Max, Bat Sheva Dance Company, Photobooth app, Charm app and more.

Motion Designer & Video Editor

Lightricks | 2020-2022

Lightricks develops video and image editing mobile apps, such as Facetune, Photoleap and Videoleap. As part of the marketing department, I was responsible for editing and designing advertisements, animated intros & endings and doing motion design for all company products.
